

Creative Curriculum:

This term we are learning all about The Vikings. We will be focusing on where they came from, where they travelled to. We will be examining what home life was like and why they had such a fearsome reputation! We will be having a Viking Day with a re-enactment of a Viking and learning about Viking Gods and Myths.

Maths:

In numeracy we will be focusing on our place value and number bonds to 100. We will also explore mental and written methods for addition, subtraction, division and multiplication. Additionally we will be working on our mental mathematics skills to raise our confidence and speed when solving problems in our head.

Home:

You can help your child at home by:

Listening to your child read: 10 minutes per night is perfect!

Helping your child to learn their spellings each week.

Encouraging your child to practice their times tables.

Encouraging children to handle and use money and work out change when shopping.

Help your child complete their home learning task

Literacy:

We will be focusing on writing a range of different text types relating to our Viking topic including: story writing, explanatory text and also play scripts.

Welcome to Year 3

Autumn Term 2017

Mr Rust/Mrs Groves

Miss Smith

Mrs Henderson

Mrs Rose/Miss Smith

Notices:
