

## Creative Curriculum:

This term we are focussing on the following topics in Science: How we see things and Healthy Living. These topics will incorporate art, drama activities and visits from Solve It and St John's ambulance where children will learn some basic first aid skills.

## Literacy:

We will be focusing on reading comprehension, SPaG (Spelling, Punctuation and Grammar) and writing a range of texts linked to our Science units of work and Shakespeare.

## Maths:

During the term we will revise the mathematics topics we have already covered during the year. We will then be moving on to maths investigations.

## Welcome to Year 6

### Summer Term 2017

**Miss Hill, Mrs Hayes, Ms Roberts, Mrs Stuckey and Mrs Walker**

## Notices:

- For your information, the Year 6 SAT's will take place during the week commencing **8<sup>th</sup> May**.
- A breakfast club will run from Tuesday 2<sup>nd</sup> May until Friday 12<sup>th</sup> May.
- The Year 6 Prom will take place on Thursday 13<sup>th</sup> July and the Leavers play will take place on Thursday 6<sup>th</sup> July.
- We are currently planning a trip for after half term to celebrate the hard work the children have put in this year. Details will be sent out shortly.

## Home:

Firstly, we would like to say thank you for encouraging your child to complete their Easter revision pack.

You can help your child at home by:

- Checking that your child is reading independently for at least ten minutes every evening and asking questions about what they have read.
- Helping your child to learn their spellings and revising the spellings they have been given throughout the year.
- If your child is suffering from hay fever, please ensure they are given the appropriate medication before school (especially during SATs week so they are able to concentrate on their learning).
