

## Inspiring Minds and Changing Lives

*'Inspire Northamptonshire'* offers Initial Teacher Training for Early Years and Primary through the School Direct Programme.

This is offered in partnership with The University of Northampton

You will also be trained to teach Philosophy for Children and mindfulness through the Paws b curriculum

*One hundred years from now,  
It won't matter what car I drove,  
What kind of house I lived in,  
How much I had in my bank account,  
Nor what my clothes looked like.  
But, the world may be a little better  
because I was important in the life  
of a child.*
