**Year 6 Residential Visit**

A great start back to the new school year. The Year 6 Residential was a huge success; wind, thunderstorms and glorious sunshine were all part of the experience. The children had a fabulous time and are to be complimented on their behaviour and resilience. For some, this was their first time away from home.

**Year 4 Visit to Boughton House**

All classes in Year 4 have enjoyed a wonderful morning at Boughton House, where they were able to see a range of large Tudor portraits. This included one of Elizabeth 1<sup>st</sup> and another of her lady in waiting. Through looking closely at the portraits and listening to a talk about them, the children were able to learn all about the lives of wealthy Tudors. This year the children were all treated to a look in the armoury

**Cyber wise**

Children in years 4 and 5 experienced a morning of Internet Safety learning. Through videos, discussion and role play, they learnt what cyber bullying is and specifically how to keep themselves safe on line. It was a very informative morning and the children learnt a great deal in an interesting way.

**FORTHCOMING EVENTS**

Friday 29<sup>th</sup> September  
Once again this year we shall be holding a coffee morning in school as part of the national Macmillan Coffee Morning. It was a big success last year and we are hoping that even more of you will join and support us in this.
