Jeans for Genes

Thank you all for the great effort made today to raise money for those children with life altering illness. We held an assembly to discuss what this means and our children were thoughtful and caring in their responses to the subject.

Life Education Bus

All children have visited the Life Education Bus where they have learned (depending on age) about making the right decisions, friends and to consider the effects on our bodies of alcohol, nicotine and other drugs.

Please could we ask that dogs are not brought onto the school site, even if carried; we do have some children(and adults) who are frightened of dogs. Thank you for your consideration.

FORTHCOMING EVENTS

Friday 29th September
Once again this year we shall be holding a coffee morning (2 -3: 30pm!) in school as part of the national Macmillan Coffee Morning. It was a big success last year and we are hoping that even more of you will join and support us in this.
