

Friday 6th October

Year 4 Archer Visit

We had a visit from John the Archer who brought in an impressive array of arrows and bows and taught the Year 4 children about the Battle of Bosworth.

Rothwell Junior Football Team

The teams are playing in two leagues; one on a Tuesday and one on a Thursday. Last Thursday our students played 5 games and won 3.

Well Done!

Frontier Trip

Can all deposits for the Year 3 Frontier Trip be returned by October 16th. Thank You.

The Macmillan Tea Party

Thank you to everyone who attended, made cakes, bought cakes! It was a successful event which raised a total of £182.93, with some more donations still to be added.

RJS Times Table Challenge

During the weeks leading up until Christmas we are encouraging all the children to learn their tables so they can recall most, if not all of the key tables facts. Each week will have a different focus. We are starting next week with a recap of 2s 5s and 10s as well as the 3s.

We would like you to support this challenge by helping your child to learn these facts at home as well as in school. There is no one way in which children learn their tables. Some will learn by chanting, others by writing them out, some will use visual prompts such as arrays e.g. 3 X 4

Of course many children will know these tables so please encourage them to challenge themselves such as leaning facts around these tables e.g. 3 X 60, 3 X 0.7 Your help in achieving this challenge is very much appreciated.

We have had several complaints/concerns voiced by adults who have seen children at the end of the school day misbehaving on the grass at the bottom of the playground. Incidences have included throwing articles over the fence at cars in the carpark, climbing trees and breaking branches and behaving in manner dangerous to themselves. Please can we ask that parents/carers are vigilant and monitor the children that they are responsible for whilst on the Junior school playground, thank you
